Customer number at Eneco:

Contract reference(s):

This sworn declaration is made by the Customer in relation to its electricity and/or natural gas supply agreement(s) with Eneco (see reference above) and for the following connection points / EAN number(s) included in this agreement (listing of all impacted EAN number(s)):

The applicant declares to be eligible for the reduced **VAT rate of 6%** and the '**special excise duty non-business use**' rates for the purposes of a delivery of natural gas which is used as heating fuel/electricity for predominantly non-business use within the meaning of Section 420, paragraph 5 of the programme act of 27 December 2004

The Customer has taken cognisance of the consequences of late or incorrect declaration. The Customer is aware that Eneco bears no responsibility in this respect and that Eneco cannot be held liable if the Customer fails to complete and deliver this declaration to Eneco, or does so late or incorrectly. If the Customer does not comply with the conditions of the reductions, the excess granted will be recovered from the Customer, plus interest and fines where applicable. The Customer undertakes to inform Eneco immediately in writing of any changes in the details (including as soon as business use becomes predominant) included on this form.
